

VENDOR INFORMATION

Location

Tipton County Fairgrounds
1200 S Main St
Tipton, IN 46072

Date

Saturday September 24 and Sunday September 25, 2022

Hours

Festival is open to the public from Noon to 7pm both days.

Admission

The vendor fee includes admission and primitive camping for the registered vendor and one "helper". Your vendor ticket is attached to the same email this document was linked from. Please print a copy of the ticket for yourself and for your helper (if you have a helper) and bring with you to the festival. Separate tickets are needed for any friends or family members attending beyond the one helper. Tickets can be reserved online at HippieFest.org

Pet Policy

Due to crowd size and for the safety of guests, pets are not permitted at the festival venue. No exceptions.

Arrival

We strongly encourage vendors to arrive on Friday September 23rd for setup. Staff will be on site to welcome you between the hours of 3pm and 6pm Friday afternoon. Please arrive within that timeframe. If you are absolutely not available to set up on Friday afternoon, you can arrive for setup Saturday morning at 8:30am. We strongly discourage waiting until the morning of the event to begin setup due to congestion. Please do your best to be available on Friday September 23rd for setup.

Finding Your Spot

Festival staff will direct you where to set up upon arrival. There are no pre-assigned spaces. Vendor tents within each row should be set up right next to each other so there is no empty space in between. If you registered for a single space, your booth size is 10'x10'. If you registered for a double space, your booth size is 10'x20'. Please do not exceed the limits of the booth size you registered for. A staff member will come around once setup has begun to confirm registration. If you would like to upgrade your booth size, please contact organizers at Info@HippieFest.org as soon as possible.

Your Booth

Bring your own canopy, tent and tables. We encourage you to use lots of color and creativity in your booth! Many vendors use tapestries, flags, banners, silk flowers and rugs to decorate their space. Please stick with the hippie theme. The more outlandish and creative, the better. We have included a couple photos on the next page for inspiration. Have fun and be creative! Costumes / hippie apparel are highly encouraged. Please be sure everything is family-friendly. **Absolutely no drug (including cannabis), weapon or political products/references of any kind. We do not permit the display of cannabis leaf imagery of any kind. We do not permit the sale or display of smoking accessories of any kind. Metaphysical goods and services such as tarot cards and tarot reading are not permitted.** All merchandise must fit the hippie / bohemian theme. **We do not allow the sale of merchandise that includes our trade name, 'Hippie Fest', or the Hippie Fest logo.**

Be sure your canopy tent is staked and weighted down securely. Vendors have lost their canopies to wind in the past. Do not leave valuable items unattended. Hippie Fest is not responsible for lost or damaged goods.

Parking

Parking is limited, so please carpool. With the exception of vintage Volkswagens (or similar vintage vehicles), **we do not allow vehicles to be parked in the vendor booth area.** You will be able to drive up to your space to unload on Friday afternoon, but your vehicle will have to be parked in the vendor parking area (which is away from the area where the vendor booths are, but not far) on the day of the festival. **Absolutely no vehicles in the vendor area after 9:30am on Saturday morning.** The festival is much more beautiful without vehicles parked in the main festival area.

Camping

Vendors (and your helper) are permitted to camp at the festival site Friday and Saturday night. Camping is offered for the convenience of not having to set up the morning of the festival. There will be a designated group camping area, which is separate from where the vendor booths will be set up, but not far. Camping is permitted in the camping area only (same area as the parking area). **Take all trash with you when you leave.**

You are welcome to camp with a tent, camper, or RV. There are no water or electric hook-ups in the group camping area. Restrooms are standard porta-johns. No open fires please. Vendors are permitted to bring coolers with refreshments. No glass bottles or alcohol permitted.

Water, Electricity, Trash

There is no access to water or electricity for vendors. It is a good idea to bring bottled water. We ask that you dispose of any waste materials off-site. **We require vendors to bring a bin to use as a trash receptacle.**

Note to food vendors: All food vendors must contact the Tipton County Health Department at least 15 days prior to the festival to arrange for necessary licensing. Food vendors are required to bring their own trash receptacle for food waste. Absolutely no food waste or discarded packaging should be left at the festival site.

Clean-up

We require each vendor to make sure their booth area and the area surrounding the booth is completely clean and free of trash before departure. Please leave the space as it was when you arrived. Your help with cleaning up is greatly appreciated :D

Cancellation / Refunds

Hippie Fest is a rain or shine event. Refunds will not be provided for any reason.

Let us know if you have any questions about this information. We look forward to you joining us at Hippie Fest!
